## Kochi

Kochi prefecture is situated in Shikoku. High temperature will be much more than 30 degrees centigrade in August. Tourists can enjoy the meals featuring the fish such as seared bonito. If you want to know more about Kochi, please click the following website.

Tourist information site “VISIT KOCHI” <http://visitkochijapan.com/>

KUT is one of the most beautiful universities I have been to. The landscape itself is so soothing that I wanted to stay longer here. The hospitality of the KUT staff and especially Japanese students is exemplary. The stay at KUT, no matter how long, is going to be one of the most memorable experiences in my university life ever!!

Mr. Praveen from Sri Lanka

## YOSAKOI dance festival

Yosakoi is a unique style of dance that originated in Japan. The style of dance is highly energetic, combining traditional Japanese dance movements with modern music.

You will have an opportunity to join this festival through the Summer School.
