

**REPORT OF THE MANAGEMENT REVIEW MEETING  
DEPARTMENT OF MATHEMATICS  
POST-MIDTERM EXAM SERIES OF SEMESTER I 2023/2024**

**March 13, 2024**

**Doctoral Program in Mathematics**

Here are the results of the evaluation of the Doctoral Programme in Mathematics.

No		Response/Follow-Up	Person responsible
1	<b>Lectures:</b>		
1.1	<b>Guidance/Publication:</b> -		
1.2	<b>Dissertation:</b> -		
1.3	<b>Monev:-</b> -		
2	<b>Akademic:</b> 1. Is it always necessary to include the supervisor's name in the paper, including supervisors from outside the university? <input type="text"/>	According to the regulations, it is mandatory to include all supervisors' names.	DP-Math
	2. For the Literature Review and Philosophy of Science course, is it possible for the first and second meetings to be conducted in one cohort group to study philosophy of science together, and then proceed to study literature review methods individually with the supervisor? This course is very helpful during the comprehensive examination.	It will be further examined by the DP-Math.	DP-Math
3	<b>Facilities: -</b> 1. Every desk is provided with an electrical outlet.	Will be promptly followed up by the Department.	Department
	2. There is no AC remote for the west side. Likewise, there is no LCD remote on the 5th floor.	Will be promptly followed up by the Department.	Department
	3. Paper runs out quickly.	The stock is with Mr. Sukir. Students need to use it wisely.	Department
	4. The workspace can be used until the evening (until 9:00 PM).	The workspace can be used until 9:00 PM.	Department
	5. The spoons in the pantry are often insufficient or inadequate.	Students should ideally provide their own utensils.	Students

	6. Examinations in the faculty cannot use pointers.	It will be communicated to the faculty.	Faculty
	7. The Matlab program in the computer lab of the Mathematics Department cannot be accessed. According to Computer Science students, the computers in DIKE can only be used by students outside of Computer Science.  The computers in the workspace are inadequate.	The Department of Mathematics will clarify with DIKE and the faculty regarding the borrowing of computers from DIKE.	Department, Faculty
	8. Only basic Matlab is accessible. It's an online version, so if the network goes down/disconnects, the running process is also interrupted. If possible, provide a non-online version of Matlab.	Matlab is indeed provided in its basic version. For the advanced version, it's up to the students and supervisors to consider its provision. The department supports to open source.	Department
4	<b>Administration:</b> -		
5	<b>Human Resources :</b> -		
6	<b>Evaluation:</b> -		

Chair of the Curriculum Committee and Quality Assurance Group of the Department of Mathematics, Faculty of Mathematics and Natural Sciences, Universitas Gadjah Mada.

(Budi Surodjo, Dr., MSi.)
