2	<b>Academics:</b>		
	1. Students in semester 3 and above need technical training in writing papers. DP-Math has held a one-day workshop, however the topic is still on sharing international journal publications.	At UGM there is a workshop on writing international journal papers from Springer Nature in general (not Mathematics papers). The quota is limited.	DP-Math
	1. There was an Expert Lecture on June 9 <sup>th</sup> , 2024. The topic is "Mastering Problem Solving Strategies and Developing Writing Skills." The content focuses on writing an argument well, it is not a writing skill for publication.	The students prefer having a lecture or studium generale of publication writing technically. It will be a lecture or studium generale by inviting a manager from JIMS.	DP-Math, Department
